Circular for the students of B.Tech/B Arch. II semester (Admitted in 2020-21)

May 11, 2021

Owing to the pandemic in the country and the steep rise in the number of cases, the following has been decided for II Semester students of B Tech and B Arch.

1. For those students who are affected by Covid-19, or anyone in their immediate family is affected, attendance requirement of 75% is waived for the current Semester. However, the student has to produce a valid medical certificate to this effect.
2. The end-semester assessment is currently planned in the first week of July 2021. While it is expected that all the students would be able to take these assessments, for those who may miss the end-semester assessment due to Covid-19 (self and/or family), there shall be a second phase of end-semester assessments before the start of the next semester. Details about this will be made available at a later date.
3. All the online lectures being conducted now are by default recorded, and the students are advised to stack up the recordings and listen to them at their own pace.
4. All the classes for II semester B. Tech/B Arch shall have a short break of 5 days from 14-05-2021 to 18-05-2021, during which period no classwork/assessment will take place. The classes shall resume from Wednesday, 19th May, 2021.

This circular is issued with the approval of competent authority.
