

Avery Dennison Foundation Spirit of Invention (InvEnt) Scholarship Program

The Avery Dennison Foundation Spirit of Invention (InvEnt) Scholarship Program is designed to recognize and reward invention, innovation and excellence in high-achieving students studying in the fields of science, engineering and technology at selected higher education institutions in India.

The Program provides:

- Merit-based scholarship award of USD 1300
- Spirit of Invention workshop
- Networking opportunities with fellow InvEnt scholars and alumni
- Continued support for leadership and innovation development
- A global perspective in science and technology

Are you interested in **Invention** and **Innovation** and **Excellence**?
