

## IMPORTANT DATES :

Last Date for Online Registration -10/04/2016

## TO REGISTER :

Please visit our website  
[www.energeia.nitt.edu](http://www.energeia.nitt.edu)  
Facebook/Energeia16

## REGISTRATION FEE:

Rs. 200 for Students

Rs. 300 for Others

Mode of Payment: Cash-on spot

Accommodation will be provided on  
requisition and paid basis

VENUE: DEPARTMENT OF ENERGY AND  
ENVIRONMENT (DEE), NIT TRICHY.

## CONTACTS :

P.Kannan: 9840805017

Nipun Gupta : 9713433109

# *One Day Technical Fest on Energy*

*April 16, 2016*

*Organized By*

*Department of Energy and  
Environment (DEE)*

*National Institute of Technology,  
Tiruchirappalli-620015*

## ABOUT NIT:

The National Institute of Technology (formerly known as Regional Engineering College) Tiruchirappalli, situated in the heart of Tamil Nadu on the banks of river Cauvery, was started as a joint and co-operative venture of the Government of India and the Government of Tamil Nadu in 1964 with a view to catering to the needs of man-power in technology for the country. Because of this rich experience, this institution was granted Deemed University Status with the approval of the UGC/AICTE and Govt. of India in the year 2003 and renamed as National Institute of Technology.

## DEE:

Department of energy and Environmental, formerly known as CEESAT was established as a centre, under the proto-col signed between the government of India and united kingdom with the objective of strengthening the research activities and curriculum related with energy and environment. The department has been started as an interdisciplinary nodal excellence centre to enhance training research and consultancy Energy and Environmental Science. Main emphasis is given to the identification of appropriate technologies for the efficient production, distribution and use of energy.

## ENERGEIA 16:

A one day tech fest organized by DEE, NIT Trichy, has been spreading the message of energy and its importance since 2008. It provides a practical insight to the recent developments and endeavors in the field of energy. the foundation for this event, which emphasizes on innovations and modern sustainable trends in the field of energy engineering. The program includes valuable lectures from eminent personalities from energy discipline and events that will invoke alterations in the bright minds. Our attendees include students, educators and industrialists from various parts of country.

## EVENTS

### Guest Lecture

Eminent personalities from various industries and top technical universities share valuable information related to renewable energy, energy conservation and energy efficiency.

### Viriya 4.0(Quiz)

Are u a multi-talented person having diversified knowledge? Then this is your cup of tea, the place where you can show your knowledge from science to sports, from engineering to entertainment.

### Paper Presentation

A paper presentation event is a chance to unleash your presentation and technical skills on a single platform. Come on genius; soak your brain to fill the podium!

Last date of submission (Abstract): 10th April 2016

Submit your papers through e-mail : [energeia16@gmail.com](mailto:energeia16@gmail.com)

### Vriksh Ropan

“A canopy for earth” - Tree plantation in campus

### Kill a watt

“An energy saving competition” a practical innovative solution for an energy related hypothetical situation

### Snap - E

Photography contest on the energy conservation
