1.	The Chairman of the Senate welcomed all Members to the 73rd Meeting of the Senate and expressed her sincere appreciation for their continued support, valuable guidance, and committed contributions towards strengthening the academic, research, and institutional ecosystem of the Institute. In her address, the Chairman highlighted the successful celebration of the 63rd Institute Day, held in the august presence of Shri. Pardeep Goyal, Business Head of BPCL and a distinguished alumnus of the Institute, who graced the occasion as the Chief Guest. She observed that the celebrations reflected the Institute's sustained excellence in academics, research, placements, sustainability initiatives, and global engagement. The Chairman further apprised the Senate of the Institute's initiatives to strengthen international academic and industry collaborations through the signing of Memoranda of Understanding with the University of William & Mary, USA, for academic exchange and collaborative research, and with Kauvery Hospital, Tiruchirappalli, for the launch of a Postgraduate Diploma Programme in Healthcare Technology through the Department of Instrumentation and Control Engineering. She acknowledged the continued contributions and dedicated services of Dr. S. Selvakumar, Professor (HAG), Department of Computer Science and Engineering, and Dr. G. Swaminathan, Professor (HAG), Department of Civil Engineering, towards the academic and institutional development of the Institute. The Chairman also congratulated Mr. Akshay Bankar, a third-year B.Tech. student of the Department of Metallurgical and Materials Engineering, for securing second place in the Global PowderIQ University Challenge organized by Höganäs AB, in recognition of his innovative project titled "ReGenFoam." She briefed the Members on the recent guidelines issued by the Ministry of Education concerning mental health and student well-being and highlighted the measures to be initiated by the Institute in the areas of faculty upgradation, student mentoring, trigger-point analytics, and institutional support mechanisms aimed at fostering a healthy, inclusive, and supportive campus environment. In conclusion, the Chairman conveyed her sincere appreciation to all Members of the Senate for their continued guidance and support and expressed confidence that the deliberations of the Senate would further contribute to the
----	--

	academic growth and excellence of the Institute. She then requested the Secretary to proceed with the agenda items.	
2.	Confirmation of the Minutes of the 72nd Meeting of the Senate held on 19th March 2026. The Senate resolved to confirm the minutes of 72 nd Meeting of the Senate held on 19 th March 2026.	
	RESOLUTION 73/SENATE/2026/2	RESOLVED THAT the Minutes of 72nd Meeting of the Senate held on 19th March 2026 be confirmed.
3.	Approval Items	
i.	To consider and approve the results of B.Tech. (II, IV, VI, and VIII); B.Arch. (II, IV, VI, and X); B.Sc. B.Ed. (II and IV); M.Tech. (II); M.Arch. (II); M.Sc. (II); M.A. (II); MCA (II and IV); and MBA (III and VI Trimesters) for January 2026 Session. The Dean (Academic) presented the results for the January 2026 Session of the Academic Year 2025–26. The Senate deliberated upon the results and approved the same for B.Tech. (II, IV, VI, and VIII Semesters), B.Arch. (II, IV, VI, and X Semesters), M.Tech. (II Semester), M.Arch. (II Semester), M.Sc. (II Semester), M.A. (II Semester), MCA (II and IV Semesters), and MBA (III and VI Trimesters) for the January 2026 Session, as recommended by the respective Performance Analysis Committees (PACs). The Senate noted that the PACs for the B.Sc. B.Ed. (II and IV Semesters) are presently under process. It was informed that, upon completion of the PAC proceedings, the results would be placed before the Chairman, Senate, for approval and subsequently submitted to the Senate for ratification.	
	RESOLUTION 73/SENATE/2026/3/i	RESOLVED THAT the results of B.Tech. (II, IV, VI, and VIII); B.Arch. (II, IV, VI, and X); M.Tech. (II); M.Arch. (II); M.Sc. (II); M.A. (II); MCA (II and IV); and MBA (III and VI Trimesters) for January 2026 Session, as approved by the respective Performance Analysis Committees (PACs), be approved.
ii.	To consider and approve the revised eligibility criteria and seat distribution for M.Tech. Industrial Safety Engineering programme. The Senate considered the proposal submitted by the Department of Mechanical Engineering regarding the revision of the eligibility criteria and seat distribution for the M.Tech. programme in Industrial Safety Engineering, proposed for implementation from the Academic Year 2026–27 onwards.	
	RESOLUTION 73/SENATE/2026/3/ii	RESOLVED THAT the revised eligibility criteria and seat distribution for the M.Tech. Industrial Safety Engineering programme, as proposed by the Department of Mechanical Engineering, be approved, for implementation from the Academic Year 2026–27 onwards.

iii.	To consider and approve the eligibility criteria and GATE paper mapping for newly introduced PG programmes. The Senate considered the proposal pertaining to the eligibility criteria and GATE paper mapping for the newly introduced postgraduate programmes, namely M.Plan. in Urban Planning, M.Tech. in Water Resources Engineering and Management, and M.Tech. in Engineering Design, proposed for implementation from the Academic Year 2026–27 onwards. The Heads of the Departments of Architecture, Mechanical Engineering, and Civil Engineering presented an overview of the deliberations and recommendations of the respective Boards of Studies (BoS), along with the curriculum frameworks for the newly introduced programmes. Further, the Head of the Department of Architecture presented the minutes of the BoS meeting for the M.Arch. (Energy Efficient and Sustainable Architecture) programme, along with the curriculum. The recommendations of the respective Boards of Studies, together with the detailed curriculum framework, were placed before the Senate for consideration and approval. <table border="1" data-bbox="327 884 1380 1234"> <tr> <td data-bbox="327 884 662 1234"> RESOLUTION 73/SENATE/2026/3/iii </td><td data-bbox="662 884 1380 1234"> RESOLVED THAT the eligibility criteria, GATE paper mapping, and curriculum for the newly introduced PG programmes, namely M.Plan. in Urban Planning, M.Tech. in Water Resources Engineering and Management, M.Tech. in Engineering Design, and curriculum of M.Arch. (Energy Efficient and Sustainable Architecture), as recommended by the respective Board of Studies (BoS), be approved, for implementation from the Academic Year 2026–27 onwards.
RESOLUTION 73/SENATE/2026/3/iii	RESOLVED THAT the eligibility criteria, GATE paper mapping, and curriculum for the newly introduced PG programmes, namely M.Plan. in Urban Planning, M.Tech. in Water Resources Engineering and Management, M.Tech. in Engineering Design, and curriculum of M.Arch. (Energy Efficient and Sustainable Architecture), as recommended by the respective Board of Studies (BoS), be approved, for implementation from the Academic Year 2026–27 onwards.		
iv.	To consider and approve the notification of sponsored Ph.D. positions under the Tata Centre for Artificial Intelligence and Machine Learning. The Senate considered the proposal regarding the notification of stipend-supported sponsored Ph.D. positions under the Tata Centre for Artificial Intelligence and Machine Learning for the Academic Year 2026–27. It was informed that the TCS Foundation has established the Tata Centre for Artificial Intelligence and Machine Learning at NIT, Tiruchirappalli with the objective of promoting interdisciplinary research and innovation in the areas of Artificial Intelligence, Machine Learning, and other allied emerging technologies. The proposed research programme encompasses thrust areas such as Healthcare, Smart Cities and Transportation, Precision Agriculture, Education, and Digital Infrastructure Services. The admission notification, along with the proposed research areas, was placed before the Senate for consideration and approval. The Members deliberated on the significance of the initiative and appreciated the opportunities it would create for interdisciplinary and industry-supported doctoral research programmes. <table border="1" data-bbox="327 1832 1380 2007"> <tr> <td data-bbox="327 1832 662 2007"> RESOLUTION 73/SENATE/2026/3/iv </td><td data-bbox="662 1832 1380 2007"> RESOLVED THAT the notification of stipend-supported sponsored Ph.D. positions under the Tata Centre for Artificial Intelligence and Machine Learning for the Academic Year 2026–27, be approved. </td></tr> </table>	RESOLUTION 73/SENATE/2026/3/iv	RESOLVED THAT the notification of stipend-supported sponsored Ph.D. positions under the Tata Centre for Artificial Intelligence and Machine Learning for the Academic Year 2026–27, be approved.
RESOLUTION 73/SENATE/2026/3/iv	RESOLVED THAT the notification of stipend-supported sponsored Ph.D. positions under the Tata Centre for Artificial Intelligence and Machine Learning for the Academic Year 2026–27, be approved.		

v.	To consider and approve the GATE Exemption for Ph.D. Admissions for the Academic Year 2026–27. The Dean (Academic) presented the detailed statistics on Ph.D. admissions for the Academic Year 2025–26, including the department-wise distribution of admissions under various categories, for discussion by the Senate. During the deliberations, it was noted that the Institute follows a rigorous selection process comprising a written test and interview for admission to the Ph.D. programmes. The Senate further observed that the number of GATE-qualified candidates admitted during the Academic Year 2025–26 was comparatively low. Members discussed the need to ensure wider accessibility to the Institute’s doctoral programmes while maintaining the quality and standards of research admissions. After detailed deliberations, the Senate approved the proposal for granting exemption from the GATE qualification requirement for admission to the Ph.D. programmes of the Institute for all categories of applicants for the Academic Year 2026–27. Further, to improve the Ph.D. admission process and examine the proposal for exempting candidates from the requirement of GATE/other qualifying examinations, Senate suggested the matter may be referred to the Academic Reforms Committee (ARC) / Advisory Committee for Ph.D. Affairs for detailed deliberation. Based on the recommendations of the Committee, the proposal may be placed before the Senate for consideration and approval, with implementation from the next academic year onwards. <table border="1" data-bbox="359 1198 1412 1339"> <tr> <td data-bbox="359 1198 710 1339"> RESOLUTION 73/SENATE/2026/3/v </td><td data-bbox="710 1198 1412 1339"> RESOLVED THAT the exemption from the GATE qualification requirement for admission to the Ph.D. programmes for the Academic Year 2026–27, be approved. </td></tr> </table>	RESOLUTION 73/SENATE/2026/3/v	RESOLVED THAT the exemption from the GATE qualification requirement for admission to the Ph.D. programmes for the Academic Year 2026–27, be approved.
RESOLUTION 73/SENATE/2026/3/v	RESOLVED THAT the exemption from the GATE qualification requirement for admission to the Ph.D. programmes for the Academic Year 2026–27, be approved.		
vi.	To consider and nominate one Professor and one Associate Professor / Assistant Professor of the Institute as Senate nominees to the Board of Governors of NIT, Tiruchirappalli, under Clause 11(f) of NITSER Act, 2007. The Senate considered the matter relating to the nomination of one Professor and one Associate Professor/ Assistant Professor of the Institute as Senate nominees to the Board of Governors of NIT, Tiruchirappalli under Clause 11(f) of the NITSER Act, 2007. As per the deliberations, the Senate suggested inviting nominations and adopting the ballot method for completing the process of selecting Senate nominees to the Board of Governors of NIT, Tiruchirappalli for the ensuing tenure.		

	RESOLUTION 73/SENATE/2026/3/vi	RESOLVED THAT the process for nomination of one Professor and one Associate Professor as Senate nominees to the Board of Governors of NIT, Tiruchirappalli shall be carried out and the Secretary, Senate, shall initiate and complete the nomination process at the earliest as per the established norms and procedures for the ensuing tenure.
4.	Ratification Items	
i.	Ratification of provisional certificates issued to MS (By Research) and Ph.D. scholars subsequent to the 72nd Senate meeting. The details of 2 M.S. (By Research) scholars and 36 Ph.D. scholars to whom provisional degrees had been issued, as provided in Annexure A, were placed before the Senate for ratification. The Senate ratified the same.	
	RESOLUTION 73/SENATE/2026/4/i	RESOLVED THAT the award of Provisional degree to MS (by research) and Ph.D. scholars as per the list presented in Annexure A be ratified.
5.	Any other item with the permission of the Chairman, Senate	
i.	Approval for renaming the existing “Department of Architecture” as the “Department of Architecture and Planning.” The Senate considered the proposal submitted by the Head of the Department of Architecture for renaming the existing “Department of Architecture” as the “Department of Architecture and Planning.” The Head of the Department informed the Senate that the proposal had been initiated following the introduction of the M.Plan. (Urban Planning) programme from the Academic Year 2026–27. It was further explained that the proposed renaming would appropriately reflect the expanded academic and professional scope of the Department encompassing both Architecture and Planning disciplines, in line with the nomenclature adopted by premier institutions offering similar programmes.	
	RESOLUTION 73/SENATE/2026/5/i	RESOLVED THAT the existing “Department of Architecture” be renamed as the “Department of Architecture and Planning”.
ii.	Curriculum framework / Online Dual Degree Programme in Data Science and Artificial Intelligence (Illinois Institute of Technology, USA and the National Institute of Technology, Tiruchirappalli). The Senate considered the proposal relating to the curriculum framework and stackable programme sequence for the Online Dual Degree Programme in Data Science and Artificial Intelligence jointly offered by the Illinois Institute of Technology, USA and the National Institute of Technology, Tiruchirappalli. The proposed curriculum structure, credit distribution, and stackable certification pathway leading to the award of Certificate, PG Diploma, Master of Applied Science, MS in Data Science with Applied Artificial Intelligence, and M.Tech.	

	in Data Science and Artificial Intelligence were placed before the Senate for consideration.	
	RESOLUTION 73/SENATE/2026/5/ii	RESOLVED THAT the curriculum framework and stackable programme sequence for the Online Dual Degree Programme in Data Science and Artificial Intelligence jointly offered by Illinois Institute of Technology, USA and NIT, Tiruchirappalli, be approved.
iii.	NPTEL – SWAYAM / Revised Credit Structure It was informed to the Senate that NPTEL–SWAYAM has revised the credits awarded for online certification courses based on course duration, wherein 4-week, 8-week, and 12-week courses would carry 2, 3, and 4 credits respectively, in place of the existing 1, 2, and 3 credits. The communication from NPTEL further requested institutions to consider the revised structure while awarding credits for NPTEL–SWAYAM courses. The Senate considered the adoption of the revised credit structure for NPTEL–SWAYAM certification courses, communicated by NPTEL for implementation from July 2026 onwards.	
	RESOLUTION 73/SENATE/2026/5/iii	RESOLVED THAT the revised credit structure for NPTEL–SWAYAM certification courses, as communicated by NPTEL, wherein 4-week, 8-week, and 12-week courses shall carry 2, 3, and 4 credits respectively in place of the existing 1, 2, and 3 credits, be adopted and implemented in the Institute from July 2026 onwards.
iv.	Elective Courses – B.Tech. (Mechanical Engineering) Curriculum 2024 The Senate considered the proposal submitted by the Department of Mechanical Engineering for the inclusion and offering of the elective courses titled “Introduction to AI and ML for Mechanical Engineering as Programme Elective (PE) and Engineering Product Realization as Open Elective (OE) under the B.Tech. (Mechanical Engineering) Curriculum 2024. The Senate noted that the proposal had been recommended by the Board of Studies through circulation and subsequently placed before the Senate for approval.	
	RESOLUTION 73/SENATE/2026/5/iv	RESOLVED THAT the elective courses “Introduction to AI and ML for Mechanical Engineering (PE)” and “Engineering Product Realization (OE)” under the B.Tech. (Mechanical Engineering) Curriculum 2024, be approved.

The Meeting concluded with thanks to the **Chairman**.
