Volume: 2 August 2007 Issue: 8

## From the Director's Desk

Dear Members of NITT,

Admissions are done in the Months of July and August for UG, PG and Research Programmes. I welcome the students and scholars for a fruitful and productive learning in NITT. The UG classes are being held in New Lecture Hall Complex. The task ahead is that all our PG Programmes are to be accredited by National Board of Accreditation. MIS software Modules are put in use.

# CAMPUS COMMUNIQUÉ

*A monthly news letter of National Institute of Technology Tiruchirappalli*  
Volume: 2 August 2007 Issue: 8

Dr A P J Abdul Kalam His Excellency Former President of India in his convocation address delivered on 24-0-2007 at NIT Tiruchirappalli presented a distinctive profile for India in the year 2020.

## *Distinctive Profile of India 2020*

1. A Nation where the rural and urban divide has reduced to a thin line.
2. A Nation where there is an equitable distribution and adequate access to energy and quality water.
3. A Nation where agriculture, industry and service sector work together in symphony.
4. A Nation where education with value system is not denied to any meritorious candidates because of societal or economic discrimination.
5. A Nation, which is the best destination for the most talented scholars, scientists, and investors.
6. A Nation where the best of health care is available to all.
7. A Nation where the governance is responsive, transparent and corruption free.
8. A Nation where poverty has been totally eradicated, illiteracy removed and crimes against women and children are absent and none in the society feels alienated.
9. A Nation that is prosperous, healthy, secure, devoid of terrorism, peaceful and happy and continues with a sustainable growth path.
10. A Nation that is one of the best places to live in and is proud of its leadership through creative and effective leadership in Parliament, State Assemblies and other institutions of the State.

I am confident that these distinctive profiles of the nation will give adequate challenge to the creative and innovative ability of the minds of NITT'ians of Trichy.--- Dr A P J Kalam

In his conclusion he detailed that how nation is build towards prosperity

- Nations Economic development is powered by competitiveness.
- The competitiveness is powered by knowledge power.
- The knowledge power is powered by Technology and innovation.
- The Technology and innovation is powered by resource investment.
- The Resource investment is powered by revenue and return on Investment.
- The Revenue is powered by Volume and repeat sales through customer loyalty.
- The customer loyalty is powered by Quality and value of products.
- Quality and value of products is powered by Employee Productivity and innovation.
- The Employee Productivity is powered by Employee Loyalty, employee satisfaction and working environment.
- The Working Environment is powered by management stewardship.
- Management stewardship is powered by Creative leadership.
