 - Thirty percent (30%) of slots allotted to the Institution shall be reserved for eligible SC girl students. In the absence of sufficient number of girl students, the slots may be transferred to eligible boy students as per their entrance exam merit list. **CENTRAL SECTOR SCHOLARSHIP SCHEME OF
TOP CLASS EDUCATION FOR SC STUDENTS**
(Effective for Financial Year 2020-21)

1. Background

The Finance Minister in his Budget speech on the Union Budget 2005-06 made the following announcements –

“The key to empowering the scheduled castes and scheduled tribes is to provide top class education opportunities to meritorious students. The three on-going scholarship schemes for SC/ST students under the Central Plan – pre-Matric, post-Matric and merit-based – will continue.

To provide an added incentive, I propose a new window: a short list of institutions of excellence will be notified, and any SC/ST student who secures admission in one of those institutions will be awarded a larger scholarship that will meet the requirements for tuition fees, living expenses, books and a computer.”

The Scheme was approved in 2007 and was subsequently revised in January, 2012 and June 2016. In the preset version of the scheme for the year 2020-21 the number of slots per year have been increased from 1500 to 4200,

7. Continuation of the Scheme beyond 2020-21

The revised provisions of the scheme, including the extended slots from 1500 to 4200 are presently applicable for the year 2020-21 only. While it will be endeavoured to extend these provisions for the coming financial years, however, this shall depend upon many factors including allocation and availability of sufficient funds under the scheme after 2020-21. If the amended scheme is not extended or there is shortage of allocation and availability of funds under the scheme, the following measures may be resorted to deal with the situation:

- a. The number of slots against fresh admissions shall be restricted.
- b. Only a limited number of most meritorious students admitted to the course in 2020-21 and provided scholarships under the scheme for the year, shall be provided scholarships for the balance duration of the course.
- c. The students left out as per prescription of (b) above, shall however be free to avail benefits of scholarship under Centrally sponsored scheme of Post Metric Scholarship scheme for SC students, subject to their fulfilling the conditions of that scheme.

8.4 The Committee would equitably distribute the slots under the Scheme amongst the notified institutions.

8.5 The Committee may periodically review the performance of the selected institutions on the basis of the academic results and also recommend appropriate modifications in the Scheme, as and when considered necessary.

9. Administrative Expenses

9.1 As the magnitude of data to be managed and processed would be very large, there would be a need to engage qualified skilled personnel – on contract or outsourcing basis - right from the beginning to design, develop and operate the IT based systems as well as enter, process, analyse, monitor, retrieve and transfer data.
