

Department of Instrumentation and Control Engineering
National Institute of Technology, Tiruchirappalli-620015

NITT / ICE / AA / XIV / 2020

2nd May 2020

Sub: First Seminar Talk by Ms. T. Geerthy
Ref: NITT/ICE/AA/XIV/2020 dated 11.3.2020

As per the reference cited, first seminar talk of Ms. T. Geerthy (Roll No: 410115007), Full Time Research Scholar was scheduled to be held on 19.3.2020. Due to COVID-19 and lockdown the seminar talk was cancelled.

As per the directions issued by the Dean Academic on 28.4.2020 through mail, the first seminar talk of this research scholar will be held through online (MS-Team) prior to submission of her Ph.D. synopsis as per the rules and regulations of the Ph.D. degree program of NIT, Tiruchirappalli.

The schedule of her presentation is as follows:

Date: 6th May 2020

Time: 10:30 AM, through online using MS-Team

Title: Continuous Cuffless BP Estimation using Analytical and Data-Driven Models

All research scholars of the department of ICE and faculty members of ICE are cordially invited to participate in the proceedings of the presentation through MS Team as per the guidelines issued by Dean Academic of the institute. Interested Research scholars of other departments are also invited to attend and participate.
