

Alumni of NIT-Trichy come together in Bengaluru

A grand Annual Alumni Meet is being organised by the Bengaluru Chapter of RECAL (REC Alumni Association). RECAL is an association of alumni of NIT-Trichy (earlier known as REC-Trichy). The meet, named ALUMNITT'18, will see nearly 250 alumni from various branches and batches of the esteemed institute come together in Bengaluru on November 24, 2018.

The tagline of the event is 'Re-connect. Network. Have fun.', which gives a clear indication of the intent of this meet. 'After passing out of college, all of us have gone our separate ways, personally and professionally. Through this meet, we are trying to get together for a few hours and re-connect with the institute, as well as with one another. We see this as an important forum for alumni-institute interaction.' says Ajay Shankar Sharma, President, RECAL-Bengaluru Chapter.

An exciting agenda has been drawn up for the evening and includes panel discussions, business networking sessions and entertainment programmes. The highlights of ALUMNITT '18 include an Open House interaction with Ms. Mini Shaji Thomas, Director of NIT-Trichy and a welcome ceremony arranged for the latest batch of passouts from the institute.

Moreover a panel discussion comprising CXOs and Founders of various companies has been put together. The panellists will share experiences from their professional life and their journey so far. This is meant to guide the younger alumni in making appropriate choices in their professional lives.

The meet, which has become an annual fixture of RECAL-Bengaluru, is being held at Hotel Aloft, Cessna Business Part, Outer Ring Road, Bengaluru.
