

## NATIONAL CONFERENCES

1. Published a Paper Entitled **“Finger print sensor using MEMS”** at the National Conference on Modelling and Analysis of Production Systems, held at National Institute of Technology, Tiruchirappalli between 22<sup>nd</sup> to 23<sup>rd</sup> Jan 2004.
2. Published a Paper Entitled **“Nanorobotics”** at the National Conference on Modelling and Analysis of Production Systems, held at National Institute of Technology, Tiruchirappalli between 22<sup>nd</sup> to 23<sup>rd</sup> Jan 2004.
3. Published a Paper Entitled **“Silicon as a MEMS material”** at the National Conference on Modelling and Analysis of Production Systems, held at National Institute of Technology, Tiruchirappalli between 22<sup>nd</sup> to 23<sup>rd</sup> Jan 2004.
4. Presented and Published a Paper Entitled **“Quality detection and assurance using embedded systems”** at the National Conference on MEMS and Nanotechnology, held at VIT between 28<sup>th</sup> Feb to 1<sup>st</sup> March 2003.
5. An analytic approach for the evaluation of ERP and Supply chain alternatives, Proceedings of the **National conference on RTME**, held at Saranathan college of Engineering, Trichy during 10<sup>th</sup> Feb 2007
6. Exploring the decision criteria in product procurement of supply chain management, Proceedings of the **National conference on Factory automation and soft computing**, NIT, Warangal, (2007).
7. Electronic – Supply chain management, Proceedings of the **National conference on Factory automation and soft computing**, NIT, Warangal, (2007).
8. Supplier selection using K-mean clustering algorithm and discriminant analysis, **National conference on emerging trends in industrial engineering and management** held at NIT, Calicut during July 11-12, 2011.
9. Applying Fuzzy Analytic Hierarchy Process to Rank the Influencing factor of blood bank supply chain Proceedings of **National Conference, on “Advances and Innovations in Civil and Mechanical Engineering** (AICME 2014) Organized by Department of Mechanical Engineering and Civil Engineering ,VelTech High Tech Engineering College,, Avadi, Chennai, in

Association with IOSR Journals, International Organization of Scientific Research on 23rd August, 2014, ,ISBN 978-93-82570-24-0.

- 10.** Use of Analytical Network Process (ANP) for Selection of Best Alternatives of Blood Bank Supply Chain Proceedings of **National Conference, on Computing, Communication and Energy Engineering** (NCCCEE 2015) Organized by School of Electrical and Computing Vel Tech University, Avadi, Chennai on May 20-21, 2015.
- 11.** Evaluation of Criteria Affecting the Performance of Suppliers of a Heavy Industry using Fuzzy AHP Method, **National Conference on Advancements in Mechanical, Environmental, Safety and Health Engineering** AMESHE 2015, Salem, India, May, 2015.
- 12.** Application of DEMATEL in Evaluation of Criteria Affecting the Performance of Suppliers of Heavy Industry, **National Conference on Advancements in Mechanical, Environmental, Safety and Health Engineering** AMESHE 2015, Salem, India, May, 2015.
