Minutes of prebid meeting on 24th Jan, 2013

Ref: Tender Notification No.: NITT/F-10/ PLAN 2012-13/R&C

The following decisions are taken in the prebid meeting:

1. In Page No.1, Item No. 1: vendor has to quote along with recording features. (recording is not optional)
2. In Page No. 15: Video Support H.264 or higher instead of H.264 SVC.
3. In Page No. 25, Item No. 51, Pan Specification for the camera 360 degree and 180 degree instead of 360 degree alone. Quotation may be given separately for each.
4. In Page No 25, Item No. 51, Zooming capability is 3x optical or above instead of 10x.
5. Number of ports to be supported is changed from 4 to 4, 10, 25 and 50. Quotation should be given separately for 4, 10, 25 and 50 ports. Recording facility should be available for N/2 parallel sessions simultaneously (N= 4, 10, 25 and 50). Both Hardware and Software should be quoted taking the number of simultaneous calls into account.
6. The following accessories are included as optional items:
 1. 4 to 1 HDMI splitter
 2. 4 to 1 VGA splitter
 3. 2 to 1 S VGA/ Composite video switch
 4. Audio mixer
 5. HDMI cable Version (a) 10 metre (b) 15 metre
7. It is not mandatory for quoting the optional items. Not quoting for the optional items will not disqualify the bidder.
