

NIT-TIRUCHIRAPPALLI OVERVIEW

The National Institute of Technology, Tiruchirappalli (NIT-T), formerly known as Regional Engineering College, Tiruchirappalli (RECT) is one of the technical institutes started by the Government of India. RECT was imparting quality education since its inception - 1964-65. In 2003, the institution has been granted 'Deemed to be University' status with the approval of UGC/AICTE. With a cream of engineering and management talent, encompassing exuberant students and inspiring faculty, integrated with State-of-the-art infrastructure facilities, NIT-T today has emerged as one of the premier institutions in the country.

ABOUT DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES NIT-T

The Department of Humanities and Social Sciences, a research department, comprises English and Economics division. The Department of English offers communication courses to B.Tech., B.Arch., M.B.A., M.Tech. & M.C.A and the Department of Economics offers Personality Development courses and Entrepreneurship Development courses to B.Tech. and M.B.A. The exposure to 21st Century skills has made our students place a good stead in successful placement and assured career growth.

ABOUT DEPARTMENT OF MANAGEMENT STUDIES NIT-T

The Department of Management Studies (DOMS), NIT-T since its inception in the year 1978 has served as a management hub for aspiring students and is being recognized as one of the best business schools in the country. The department has earned a remarkable reputation over the years through persistent commitment towards management education and innovation. DOMS teaches the art and science of management and inculcates the virtues and the skills to the students to mark a difference in their future workplace. The academicians at DOMS are known for their learning and erudition, with a well-established record of consultancy and research activities.

FACULTY DEVELOPMENT PROGRAMME
on

**EMPOWERING TEACHERS
IN
21st CENTURY EDUCATION**

29th April - 3rd May 2019

Sponsored
by
AICTE - MARGDARSHAN SCHEME

Programme Coordinators

- Dr. S. Mekala
Associate Professor, HSS.
- Dr. N. Thamaraiselvan
Professor, DoMS.

Programme Theme

"I never teach my pupils, I only provide the conditions in which they can learn" - Albert Einstein

21st Century Skills Education

21st Century Skills education encapsulates the social, personal, intellectual and emotional skills, which aims at preparing learners for meaningful and successful living in today's globalized context. These 'Seed Skills' have become necessary pre-requisites in the holistic development of learners, and this skill set exposes them to a range of knowledge, skills and values of life.

Course Content

The course aims at equipping teachers to be competent in facing the challenges of the dynamic learning environment, by providing an insight to soft skills for success and life skills for survival at the workplace. The participants can hone their abilities through interactive sessions and impart the skills to their students. The main focus of the course includes:

- Effective Communication
- Interpersonal Relationship
- Creative Thinking
- Critical Thinking
- Problem Solving
- Decision making
- Negotiation skills
- Coping with Stress
- Assertiveness and Emotional Resilience
- Achievement Motivation
- Conflict Resolution
- Soft skills and Personality Development

Eminent academicians and Resource persons will be contributing their valuable insights on the topics.

TARGET AUDIENCE

Faculty members in Engineering Colleges

REGISTRATION FEE DETAILS**

Category	Individuals
Registration Fee for Non-Mentee Institute Participants	Rs.3000/- [inclusive of GST]

** NO Registration fee for Mentee Institutions

The registration fee includes programme kit, refreshments and working lunch. Registration fee is to be paid in the form of DD, drawn in favour of "The Director, National Institute of Technology", payable at SBI, NIT Tiruchirappalli.
