F.No.33-158-2010-NBA

To,

Subject : Accreditation status of programs applied by National Institute of Technology, Tiruchirappalli, Tamil Nadu

Sir,

This has reference to your application dated 14.03.2013 in **Tier I format** seeking accreditation of National Board of Accreditation for UG Engineering Programs offered by your Institute.

2. An Expert Team conducted on-site evaluation of the program during 18th to 20th April, 2014. Reports of the expert team were considered by the concerned Committees constituted for the purpose in NBA. The competent authority has approved the following accreditation status to the programs:

Sl. No. (1)	Name of the Program (2)	Basis of Evaluation (3)	Accreditation Status (4)	Period of validity w.e.f. 01. 07. 2014 (5)
1.	UG- Electrical and Electronics Engineering	Tier - I Document	Accredited	5 years
2.	UG- Metallurgical and Materials Engineering	Tier - I Document	Accredited	5 years

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to National Institute of Technology, Tiruchirappalli, Tamil Nadu as a whole. As such the NIT should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name and level of the programs accredited and the period of validity of accreditation should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
