

NATIONAL INSTITUTE OF TECHNOLOGY TIRUCHIRAPPALLI
DEPT. OF METALLURGICAL AND MATERIALS ENGINEERING (MME)

COMPLIANCE REPORT

MME / Vigil Pledge / 14 R – X – VAW Metallurgy Compliance

Dt. Oct. 27, 2014

Submitted to: The Director, NITT

GoI Institutions have been advised (by the Central Vigilance Commission (CVC)) to administer the Vigilance Pledge, as part of the Vigilance Awareness Week (VAW 2014). More than a dozen members of this department (faculty and non – teaching staff) assembled in the department, this day, by 11 am. (Some faculty / staff were busy with class work.) All of them **participated in the reading of the Vigilance Pledge**; and committed to be vigilant in their activities in NIT Trichy.

HoD (MME) explained to them, briefly, the need for GoI officials to be vigilant in their activities; and also cited the VAW 2014 theme (vide CVC) of combating corruption with technology as an enabler. **Compliance, in this matter, by the Dept. MME, may please be placed on record.** Thank you very much.

Prof. Sankara Raman Sankaranarayanan
