CIRCULAR

Sub : PG Revaluation of final Assessment (except Project Phase) - July session
2023 - Regarding

Students who appeared in the final assessments of the July 2023 session for M.Tech., M.Arch., M.Sc., MCA, and MA (excluding MBA) are allowed to review their valued answer scripts and seek clarification from the respective faculty. Faculty members are requested to provide access to the valued answer scripts for verification until **February 01, 2024**.

From February 1 to February 2, 2024, students will have MIS access for revaluation registration. The registration can be done through the following link:
<https://misreg.nitt.edu/NITTSTUDENT/>.

It is important to note that only students who have received confirmation of a grade change from the relevant faculty should register in MIS for revaluation. If other students attempt to register, their registration will be held pending with the Head of the Department (HOD) or the concerned faculty, and their grade card, SGPA, and CGPA cannot be generated by MIS. Therefore, only eligible students, upon confirmation from the faculty, are instructed to proceed with the registration process in MIS.
