Selection Process for MBA Admissions 2020

Considering the prevailing situation of lockdown in our country due to COVID-19, the MBA Admissions process 2020 at Department of Management Studies, National Institute of Technology Tiruchirappalli has decided to take the following steps:

- Group Discussion/Personal Interview (GD/PI) scores will not be taken into consideration for the MBA admissions 2020.
- In this regard, the selection process held at Chennai center has been declared as nullified. Also, GD/PI process scheduled at Trichy and Delhi center has been cancelled.
- For the year 2020, the provisional candidate selection will be made based on the inputs received from the candidate's application (without GD/PI scores). Further, admission of the selected candidates will be confirmed based on the physical verification of the proof of documents at the time of final admission at NIT-T (dates will be duly communicated)
- Based on the due approvals from the competent authority of our institute, the selection lists of MBA admission 2020 will be declared soon.

Note: For updates about our admission process visit www.nitt.edu frequently and notification of the same will also be sent to your registered mail id.
