Department of Mathematics
M. Sc. (Mathematics) Admission 2020-21

The Institute. National Institute of Technology, Tiruchirappalli, commonly, NIT-Trichy (NITT), is an Institution of National Importance under the Ministry of Human Resource Development, Government of India and celebrated her Golden Jubilee in 2014. The Institute has been imparting technical education in core branches of science and engineering, besides pushing frontier areas in research. With a vibrant campus and enviable facilities, the Institute provides 10 undergraduate, 28 postgraduate and Ph.D. programmes. NITT is no. 1 among the NITs, and 10th in the National Institutional Ranking Framework (NIRF), MHRD, Govt. of India.

The Department. The Department of Mathematics is one of the most distinguished departments in NITT. Until 1993, the Department of Mathematics and Computer Applications offered M.Sc. in Applied Mathematics which was restructured as M.Sc. (OR & CA); from 2019, the Department of Mathematics is offering **M.Sc. in Mathematics** with a blend of pure and applied courses. With fourteen faculty members representing major areas of mathematics, the department is at the forefront of cutting-edge research as well as teaching and innovation.

Admission to M.Sc. (Mathematics). Students are admitted to the two-year M.Sc. (Mathematics) programme through *Centralized Counselling for M.Sc. to NITs (CCMN)* using *Joint Admission Test (JAM) 2020* score.

JAM 2020 is a National Level Examination conducted by the Indian Institute of Technology (IITs). Details of JAM 2020 including syllabus and application can be downloaded from the website:
