

NATIONAL INSTITUTE OF TECHNOLOGY, TIRUCHIRAPPALLI - 620 015
DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Date: 24-07-2025

INTERNSHIP 2025

Applications are invited from the B.E./B.Tech. Electrical and Electronics Engineering students from various institutions (other than NIT Trichy) for an internship at the Department of Electrical and Electronics Engineering under Scientific Social Responsibility (SSR) of the ANRF-Project (EEQ/2021/000033).

Name of the Project Investigator	Dr. Suman M, Assistant Professor
Project Sanction Order Number	EEQ/2021/000033
Title of the project	Development of Unintentional Islanding Protection Scheme with Low Voltage & Frequency Ride Through Capability
Essential Qualification	B.E./B.Tech. (pursuing) with good academic background.
Desirable	Knowledge of MATLAB
Duration	Two Months or till 16.09.2025 whichever is earlier
Number of interns	1
Selection will be based on the interview	
Stipend Amount	Rs. 5,000/- per month

A certificate will be awarded to the intern upon successful completion of the assigned task. Interested students are encouraged to fill out the Google form below.

Google Form Link: <https://forms.gle/RXa2vW7GU4tQUvWT9>

Deadline for filling the application is 31.07.2025.

Date for the walk-in-interview: 01.08.2025

For any queries, please reach out to the Project Investigator at: sumanm@nitt.edu.

Dr. Suman M
