NIT, Tiruchirappalli

Section I: Instructions for Online Bid Submission

Instructions to the Bidders to submit the bids online through the Central Public Procurement Portal for e Procurement at <https://eprocure.gov.in/eprocure/app>.

1. Possession of valid Digital Signature Certificate (DSC) and enrollment / registration of the contractors / bidders on the e-Procurement/e-tender portal are prerequisite for e-tendering.
2. Bidder should register for the enrollment in the e-Procurement site using the “Online Bidder Enrollment” option available on the home page. Portal enrollment is generally free of charge. During enrollment / registration, the bidders should provide only valid and true information including valid E-mail id. All the correspondence shall be made directly with the contractors/bidders through E-mail id as registered.
3. Bidder need to login to the site through their user ID / password chosen during enrollment / registration.
4. Then the Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by SIFY / TCS / nCode / eMudra or any other Certifying Authority recognized by Controller of Certifying Authorities (CCA) India on eToken / SmartCard, should be registered.
5. The registered DSC only should be used by the bidder in the transactions and should ensure safety of the same.
6. Contractor / Bidder may go through the tenders published on the site and download the tender documents/schedules for the tenders.
7. After downloading / getting the tender document/schedules, the Bidder should go through them carefully and then submit the documents as required, otherwise bid will be rejected.
8. Any clarifications may be sought online through the tender site, through the contact details or during pre-bid meeting if any. Bidder should take into account the corrigendum if any published before submitting the bids online.
9. Bidder may log in to the site through the secured login by the user id / password chosen during enrolment / registration and then by submitting the password of the e-Token / Smartcard to access DSC.
10. Bidder may select the tender in which he / she is interested in by using the search option and then move it to the ‘my tenders’ folder.
11. From my tender folder, he / she may select the tender to view all the details uploaded there.
12. It shall be deemed that the bidder has read and understood all the terms and conditions before submitting the offer. Bidder should go through the tender schedules carefully and upload the documents as asked ; otherwise, the incomplete bid shall stand rejected.
13. Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and ordinarily it shall be in PDF /xls / rar / jpg / dwf formats. If there is more than one document, all may be clubbed together and provided in the requested format. Bidders Bid documents may be scanned with 100 dpi with black and white option. It is advisable that each document to be uploaded through online for the tenders should be less than 2 MB. If any document is more than 2MB, it can be reduced through zip / rar and the same if permitted may be uploaded. The file size being less than 1 MB the transaction uploading time will be very fast.
14. The Bidders can update well in advance, the documents such as certificates, annual report details etc., under “My Space option” and these can be selected as per tender requirements

and then send along with bid documents during bid submission. This will facilitate the bid submission process faster by reducing upload time of bids.

15. Bidder should submit the Tender Fee / EMD as specified in the tender. The hard copy should be posted / couriered / given in person to the Tender Inviting Authority, within bid submission due date and time as indicated in the tender. Scanned copy of the instrument should be uploaded as part of the offer.
16. The details of the DD / any other accepted instrument, physically delivered, should tally with the details available in the scanned copy and the data entered during bid submission time, otherwise submitted bid shall not be acceptable or liable for rejection.
17. The bidder has to select the payment option as offline to pay the Tender FEE / EMD as applicable and enter details of the instruments.
18. While submitting the bids online, the bidder shall read the terms and conditions and may accept the same to proceed further to submit the bidpackets.
19. The bidder has to digitally sign and upload the required bid documents one by one as indicated. Very act of using DSC for downloading the bids and uploading their offers shall be deemed to be a confirmation that they have read, understood and agreed with all clauses of the bid document including General conditions of contract without any exception.
20. The bidder has to upload the relevant files required as indicated in the cover content. In case of any irrelevant files, the bid may be rejected.

PRICE BID

21. If the price bid format is provided in a spread sheet file like BoQ_XXXXX.xls, the rates offered should be entered in the allotted space only and uploaded after filling the relevant columns. The Priced-bid / BOQ template shall not be modified / replaced by the bidder ; else the bid submitted is liable to be rejected for the tender.
22. The bidders are advised to submit the bids through online e-tendering system to the Tender Inviting Authority (TIA) well before the bid submission due date and time (as per Server System Clock). The TIA shall not be held responsible for any delay or the difficulties faced during the submission of bids online by the bidders.
23. The time settings fixed in the server side and displayed at the top of the tender site, shall remain valid for all actions of requesting, bid submission, bid opening etc., in the e-Tender system. The bidders should follow such time during bid submission.

EVIDENCE FOR ONLINE BID SUBMISSION

24. After the bid submission (i.e. after Clicking “Freeze Bid Submission” in the portal), the acknowledgement number indicated by the system should be printed by the bidder and kept as a record of evidence for online submission of bid for the particular tender and also be used as entry pass to participate in the bid opening.
25. All the data being entered by the bidders would be encrypted using Public Key Infrastructure (PKI) encryption techniques to ensure the secrecy of the data. The data entered is not retrievable by unauthorized persons during the bid submission and until the time of bid opening by any person.
26. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid openers’ public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.

27. The confidentiality of the bids is maintained with the use of Secured Socket Layer (SSL) 128 bit encryption technology. Data storage encryption of sensitive fields is done.
28. The bidder should logout of the tendering system using the normal logout option available at the top right hand corner and not by selecting the (X) exit option in the browser.
29. For any queries regarding e-Tendering process, the bidders may contact at address as provided in the tender document. Parallely for any further queries, the bidders are advised to contact over phone : **1-800-233-7315, 0120-4001005** or send an E-mail to cphp-nic@nic.in.

2	ELIGIBLE BIDDERS
2.1	A Bidder may be a firm, a company, a Limited Liability Partnership (LLP), a government-owned entity or any combination of such entities in the form of a Joint Venture (JV) under an existing agreement.
2.2	In the case of a joint venture, all members shall be jointly and severally liable for the execution of the contract in accordance with the Contract terms. The JV shall nominate a Representative who shall have the authority to conduct all business for and on behalf of any and all the members of the JV during the bidding process and during the contract execution in the event the JV is awarded the contract.
2.3	A Bidder shall not have a conflict of interest. Any Bidder found to have a conflict of interest shall be disqualified. A Bidder may be considered to have a conflict of interest for the purpose of this bidding process, if the Bidder:
a	directly or indirectly controls, is controlled by or is under common control with another Bidder; or
b	receives or has received any direct or indirect subsidy from another Bidder; or
c	has the same legal representative as another Bidder; or
d	has a relationship with another Bidder, directly or through common third parties, that puts it in a position to influence the bid of another Bidder, or influence the decisions of the Client regarding this bidding process; or
e	Participates in more than one bid in this bidding process. Participation by a Bidder in more than one Bid shall result in the disqualification of all Bids in which such Bidder is involved. This, however does not limit the inclusion of the same subcontractor in more than one bid; or
f	Has a close business or family relationship with a professional staff of the Client (or of the project implementing agency, or of a recipient of a part of the loan) who : (i) are directly or indirectly involved in the preparation of the bidding documents or specifications of the contract, and/or the bid evaluation process of such contract; or (ii) would be involved in the implementation or supervision of such contract.
2.4	A foreign firm and individual may be ineligible if as a matter of law or regulations, India prohibits commercial relations with the country of bidder.

	2.5	A Bidder shall provide such evidence of eligibility satisfactory to the Client, as the Client shall reasonably request.
3	CONTENTS OF BIDDING DOCUMENT	
	3.1	The Bidding Documents consist of Parts 1, 2, 3 and 4, which include all the Sections indicated below, and should be read in conjunction with any Addenda if any, issued.
	3.2	The Invitation for Bids issued by the Client is not part of the Bidding Document.
	3.3	Unless obtained directly from the Client, the Client is not responsible for the completeness of the document, responses to requests for clarification, the Minutes of the pre- Bid meeting (if any), or Addenda to the Bidding Document. In case of any contradiction, documents obtained directly from the Client shall prevail.
	3.4	The Bidder is expected to examine all instructions, forms, terms, and specifications in the Bidding Documents and to furnish with its Bid all information or documentation as required by the Bidding Documents.
4	CLARIFICATION OF BIDDING DOCUMENTS, SITE VISIT, PRE-BID MEETING	
	4.1	A Bidder requiring any clarification of the Bidding Document shall contact the Client in writing at the Client's address specified in the BDS or raise its enquiries during the pre-bid meeting if provided. The Client will respond in writing to any request for clarification, provided that such request is received prior to the deadline for submission of bids within a period specified in the BDS.
	4.2	The Bidder is advised to visit and examine the project site and obtain for itself on its own responsibility all information that may be necessary for preparing the bid and entering into a contract for procurement of Goods. The costs of visiting shall be at the Bidder's own expense
	4.3	The Bidder's designated representative is invited to attend a pre-bid meeting. The purpose of the meeting will be to clarify issues and to answer questions on any matter that may be raised at that stage.
	4.4	The Bidder is advised to submit any questions in writing to reach the Client not beyond one week preceding the meeting.
	4.5	Minutes of the pre-bid meeting, if applicable, including the text of the questions asked by Bidders, without identifying the source, and the responses given, together with any responses prepared after the meeting, will be transmitted promptly to all Bidders who have acquired the Bidding Documents. Any modification to the Bidding Documents that may become necessary as a result of the pre-bid meeting shall be made by the Client exclusively through the issue of an addendum and not through the minutes of the pre-bid meeting. Absence in the pre-bid meeting shall not be a cause for disqualification of a Bidder.
5	Amendment of Bidding Document	
	5.1	At any time prior to the deadline for submission of bids, the Client may, for any reason, whether at its own initiative or in response to a clarification requested by a prospective bidder, modify the bidding documents by corrigendum. In case of e-procurement, corrigendum / amendment shall be published on https://eprocure.gov.in/eprocure/app .
	5.2	Any addendum issued shall be part of the Bidding Documents and shall be communicated in writing to all who have obtained the Bidding Documents from the Client. The Client shall also promptly publish the addendum on the Client's webpage.
	5.3	The Client may, at its discretion to give prospective Bidders reasonable time in which to take an addendum into account in preparing their bids, extend the deadline for the submission of bids.

C.PREPARATION OF BIDS																					
6	LANGUAGE OF BID :																				
	The Bid, as well as all correspondence and documents relating to the bid exchanged by the Bidder and the Client, shall be written in the language specified in the BDS. D.SUBMISSION AND OPENING OF BIDS		
15		Sealing and Marking of Bids: The Bidder shall submit the bids electronically, through the e-procurement system (https://eprocure.gov.in/eprocure/app). Any document submitted through any other means will not be considered as part of the Bid except for the Originals as asked for in this tender.
16		Deadline for Submission of Bids: The Client may, at its discretion, extend the deadline for the submission of bids by amending the Bidding Documents, in which case all rights and obligations of the Client and Bidders previously subject to the deadline shall thereafter be subject to the deadline as extended.
17		Late Bids: The e-Procurement system would not allow any late submission of bids after due date and time as per server system. After electronic online proposal submission, the system generates a unique identification number which is time stamped. This shall be treated as acknowledgement of the proposal submission
18		Withdrawal, Substitution, and Modification of Bids: A Bidder may withdraw, substitute, or modify its bid on the e-procurement system before the date and time specified but not beyond. No bid may be withdrawn, substituted, or modified in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Tender Forms or any extension thereof Modification/Withdrawal of the Bid sent through any other means shall not be considered by the Client.
19	19.1	Bid Opening: The Client shall open the bids as per electronic bid Opening procedures specified in Central Public Procurement Portal (CPPP) at the date and time specified. Bidders can also view the bid opening by logging on to the e- procurement system. Specific bid opening procedures are laid down at https://eprocure.gov.in/eprocure/app under the head “Bidders Manual Kit”. The tenderer/bidder will be at liberty to be present either in person or through an authorized representative at the time of opening of the Bid or they can view the bid opening event online at their remote end. Price Bids of only those tenderers shall be opened whose technical bids qualify.
	19.2	The withdrawn bid will be available in the system therefore will be considered, if bidder once withdraws the bid then he will not be able to participate in the respective tender again. Modification to the bid shall be opened and read out with the corresponding bid. Only bids that are opened and read out at bid opening shall be considered further.
	19.3	The Client shall prepare a record of the bid opening that shall include; the name of the Bidder; whether there is a withdrawal, substitution, or modification; the Bid Price including any discounts and alternative bids; and the presence or absence of a bid security, if one was required. The Bidders’ representatives who are present in the office of the Client to witness the bid opening shall be requested to sign the record. The omission/refusal of a Bidder’s signature on the record shall not invalidate the contents and effect of the record. A copy of the record shall be made available on the e-procurement system.
E. Evaluation and Comparison of Bids		
20	20.1	Confidentiality: Information relating to the evaluation of bids and recommendation of contract award shall not be disclosed to bidders or any other persons not officially concerned with the bidding process until information on Contract Award is communication to all Bidders.

	20.2	No Bidder shall contact the Client on any matter relating to its bid from the time of the bid opening to the time the contract is awarded. If the Bidder wishes to bring additional information to the notice of the Client it should be done in writing.
	20.3	Any effort by a Bidder to influence the Client in its decisions on bid evaluation, bid comparison or contract award decisions may result in rejection of the Bidder's bid.
21	21.1	To assist in the examination, evaluation, comparison of the bids, and qualification of the Bidders, the Client may, at its discretion, ask any Bidder for a clarification of its Bid. Any clarification submitted by a Bidder in respect to its Bid and that is not in response to a request by the Client shall not be considered. The Client's request for clarification and the response shall be in writing. No change, including any voluntary increase or decrease, in the prices or substance of the Bid shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Client in the Evaluation of the bids.
	21.2	If a Bidder does not provide clarifications of its bid by the date and time set in the Client's request for clarification its bid may be rejected.
22	22.1	Determination of Responsiveness: The Client's determination of a bid's responsiveness is to be based on the contents of the bid itself.
	22.2	A substantially responsive Bid is one that meets the requirements of the Bidding Documents without material deviation, reservation, or omission.
	22.3	The Client shall examine the technical aspects of the bid submitted in accordance with instructions specified in tender document, in particular, to confirm that all requirements enumerated in the 'Schedule of Requirements' Section-VI have been complied with, without any material deviation or reservation or omission.
	22.4	If a bid is not responsive to the requirements of Bidding Documents, it shall be rejected by the Client and may not subsequently be made responsive by correction of the material deviation, reservation or omission.
23		Conversion to Single Currency: For evaluation and comparison purposes, the currency(ies) of the Bid shall be converted in a single currency as specified in the BDS.
24		Margin of Preference: Unless otherwise specified in the BDS, a margin of preference shall not apply.
25	25.1	Evaluation of Bids: The Client shall use the criteria and methodologies listed in this Clause. No other evaluation criteria or methodologies shall be permitted.
	25.2	To evaluate a Bid, the Client shall consider the following:
	a	Evaluation will be done for Items or Lots (contracts), as specified in the BDS; and the Bid Price.
	b	price adjustment due to discounts offered;
	c	converting the amount resulting from above, if relevant, to a single currency
	d	price adjustment due to quantifiable nonmaterial nonconformities in;
	25.3	The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be taken into account in bid evaluation.
	25.4	The Client's evaluation of a bid shall exclude and not take into account:
	a	In the case of Goods manufactured in the India, sales and other similar taxes, which will be payable on the goods if a contract is awarded to the Bidder;
	b	in the case of Goods manufactured outside India, already imported or to be imported, customs duties and other import taxes levied on the imported Good, sales and other similar taxes, which will be payable on the Goods if the contract is awarded to the Bidder;

		c	any allowance for price adjustment during the period of execution of the contract, if provided in the bid.
	25.5		The Client's evaluation of a bid may require the consideration of other factors, in addition to the Bid Price quoted. These factors may be related to the characteristics, performance, and terms and conditions of purchase of the Goods and Related Services. The effect of the factors selected, if any, shall be expressed in monetary terms to facilitate comparison of bids.
26			Comparison of Bids: The Client shall compare the evaluated prices of all substantially responsive bids established to determine the lowest evaluated bid. The comparison shall be on the basis of CIP-Carriage and Insurance Paid to (place of destination) prices for imported goods and EXW – Ex Works (named place of delivery) prices, plus cost of inland transportation and insurance to place of destination, for goods manufactured within India, together with prices for any required installation, training, commissioning and other services. The evaluation of prices shall not take into account custom duties and other taxes levied on imported goods quoted CIP and sales and similar taxes levied in connection with the sale or delivery of goods.
27	27.1		Qualification of the Bidder: The Client shall determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated and substantially responsive bid meets the qualifying criteria.
	27.2		The determination shall be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder.
	27.3		An affirmative determination shall be a prerequisite for award of the Contract to the Bidder. A negative determination shall result in disqualification of the bid, in which event the Client shall proceed to the next lowest evaluated bid to make a similar determination of that Bidder's qualifications to perform satisfactorily.
28			Institutes Right to Accept any Bid and to Reject any or all bids: The Institute reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to Bidders. In case of annulment, all bids submitted and specifically, bid securities, shall be promptly returned to the Bidders.
F.AWARD OF CONTRACT			
29			Award Criteria: The Client shall award the Contract to the Bidder whose bid has been determined to be the lowest evaluated bid and is substantially responsive to the Bidding Documents, provided the Bidder is determined to be qualified to perform the Contract satisfactorily.
30			Clients Right to vary Quantities at Time of Award: At the time the Contract is awarded, the Client reserves the right to increase or decrease the quantity of Goods and Related Services originally specified in Section VI, Schedule of Requirements, provided this does not exceed the percentages specified in the BDS, and without any change in the unit prices or other terms and conditions of the bid and the Bidding Documents.
31	31.1		Notification of Award: Prior to the expiration of the period of bid validity, the Client shall, notify the successful Bidder, in writing, that its Bid has been accepted. The notification letter (hereinafter and in the Conditions of Contract and Contract Forms called the "Letter of Acceptance") shall specify the sum that the Client will pay the Contractor in consideration of the supply of Goods (hereinafter and in the

		Conditions of Contract and Contract Forms called “the Contract Price”). At the same time, the Client shall also notify all other Bidders of the results of the bidding.
	31.2	Until a formal Contract is prepared and executed, the notification of award shall constitute a binding Contract.
	31.3	The Client shall promptly respond in writing to any unsuccessful Bidder who, after notification of award, requests in writing the grounds on which its bid was not selected.
32	32.1	Signing of Contract: Promptly after notification, the Client shall send the successful Bidder the Contract Agreement.
	32.2	Within fifteen (15) days of receipt of the Contract Agreement, the successful Bidder shall sign, date, and return it to the Client.
	32.3	Notwithstanding anything contained in clause 32.2, in case signing of the Contract Agreement is prevented by any export restrictions attributable to the Client, or to the use of the products/goods, systems or services to be supplied, where such export restrictions arise from trade regulations from a country supplying those products/goods, systems or services, the Bidder shall not be bound by its bid, always provided however, that the Bidder can demonstrate to the satisfaction of the Client that signing of the Contract Agreement has not been prevented by any lack of diligence on the part of the Bidder in completing any formalities, including applying for permits, authorizations and licenses necessary for the export of the products/goods, systems or services under the terms of the Contract.
33	33.1	Performance Security: The Successful bidder has to submit Security deposit/Performance Guarantee @ 3% order value in the form of DD/Bank Guarantee/Fixed deposit(In the name of NITT) Within Forteen (14) days of the receipt of notification of award from the Client, the successful Bidder, if required, shall furnish the Performance Security in accordance with the General Conditions of Contract (GCC), using for that purpose the Performance Security Form included in Section-X, Contract Forms, or another Form acceptable to the Client. If the Performance Security furnished by the successful Bidder is in the form of a bond, it shall be issued by a bonding or insurance company that has been determined by the successful Bidder to be acceptable to the Client. A foreign institution providing a bond shall have a correspondent financial institution located in India.
	33.2	Failure of the successful Bidder to submit the above- mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Bid Security. In that event the Client may award the Contract to the next lowest evaluated Bidder, whose bid is substantially responsive and is determined by the Client to be qualified to perform the Contract satisfactorily.

The Bidder may substitute alternative standards, brand names and/or catalogue numbers in his bid, provided that it demonstrates to the Client's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

Section V. Institute against the Corrupt and Fraudulent Practices

Institute strictly adheres to its policy against corruption and requires that bidders and their agents, subagents, sub-contractors, Contractors etc. shall not indulge in any kind of corrupt practices, fraudulent practices, collusive practices, coercive practices, obstructive practices or other kinds of corruption declared as crimes under Indian law.

- a) If bidder or their agents, subagents, sub-contractors, Contractors etc. are found, directly or indirectly, involved in such practices, bid or agreement and execution thereof at any stage may be rejected or cancelled as the case may be by the Institute and besides it Institute may initiate legal actions including civil and criminal proceeding.

For the purpose of this provision the terms are defined as follows :

- (i) “Corrupt practice” is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party ;¹
 - (ii) “Fraudulent Practices” is any act or omission including a misrepresentation which knowingly or recklessly made to mislead another party to obtain financial or other benefit or to avoid an obligation ;²
 - (iii) “Collusive Practice” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party ;³
 - (iv) “Coercive Practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party ;⁴
 - (v) “Obstructive Practice” is deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede an investigation into allegations of a corrupt, fraudulent, coercive or collusive practice ;and / or threatening, harassing or Intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation.
- b) Besides actions under clause (a) Institute may also take action to blacklist such bidder either indefinitely or for a specified period.

¹ For the purpose of this sub-paragraph, “another party” refers to a public official acting in relation to the procurement process or contract execution. In this context, “public official” includes Institute staff and employees of other organizations taking or reviewing procurement decisions.

² For the purpose of this sub-paragraph, “party” refers to a public official; the terms “benefit” and “obligation” relate to the procurement process or contract execution; and the “act or omission” is intended to influence the procurement process or contract execution.

³ For the purpose of this sub-paragraph, “party” refers to participants in the procurement process (including public officials) attempting either themselves, or through another person or entity not participating in the procurement or selection process, to simulate competition or to establish bid prices at artificial, non-competitive levels, or are privy to each other’s bid prices or other conditions.

⁴ For the purpose of this sub-paragraph, “party” refers to a participant in the procurement process or contract execution.

1.2. For details of procedure for conducting Falling Weight Deflectometer (FWD) test, the IRC Code, IRC: 115-2014 shall apply.

1.3. The scope of this item includes mobilization of Falling Weight Deflectometer (FWD) and personnel (skilled & unskilled) required to carry out the work in accordance with following specifications.

1.4. Sufficient number of deflection transducers should be used to adequately capture the shape of deflection bowl. Six to nine velocity transducers (geophones) should be used for measuring surface deflections of flexible pavements. The deflection transducers used should have a reading resolution of at least 1 μ m and should be accurate to +/- 2 percent of the reading.

1.5. Typical geophone position configurations (number and radial distances measured from center of load plate) commonly used for flexible pavement evaluation mentioned below should be followed.

- (i) 7 sensors at 0, 300, 600, 900, 1200, 1500 and 1800 mm radial distances
- (ii) 7 sensors at 0, 200, 300, 450, 600, 900, 1500 mm radial distances
- (iii) 6 sensors at 0, 300, 600, 900, 1200 and 1500 mm radial distances
- (iv) 6 sensors at 0, 200, 300, 600, 900, 1200 mm radial distances.

1.6. Falling Weight Deflectometer (FWD) used should be calibrated for getting accurate and reproducible results. The date of calibration of the load cell and geophones should not be earlier than 365 days from the date of conducting the test for structural evaluation of pavement.

1.7. Different measurement schemes according to the pavement condition prevalent in the site may be adopted as follows.

- (i) measurement along the most distressed wheel path of the carriageway
- (ii) measurement along inner as well as outer wheel paths of all the lanes
- (iii) measurement along both wheel paths of only the outer most lanes
- (iv) measurement along the more distressed wheel paths of each of the lanes

1.8. Maximum Spacing (m) for test points along selected wheel path for pavements of different classification should be according to Table 1

1.9. Minimum number of drops per point should be four. Drop one seating load, for which load and deflection data need not be measured.

1.10. Measurement of air temperature and pavement surface layer temperature should be done at half-hourly intervals. Deflection measurements should not be made when the pavement temperature is more than 45°C.

1.11. The following are the set of deliverables which should be submitted after completion of FWD test.

- Data report should cover the following parameters
 - Deflection bowl (Transient deflections at seven different points)
 - Corrected Elastic Modulus Bituminous E1
 - Corrected Elastic Modulus Granular E2
 - Corrected Elastic Modulus Subgrade E3
 - Subgrade CBR

1.12. Interpretation report should cover overlay thickness, summary of entire survey results and analysis of key parameters.

15		Contract Price Prices charged by the Contractor for the work executed and the Related Services performed under the Contract shall not vary from the prices quoted by the Contractor in its bid, with the exception of any price adjustments authorized in the SCC.
16	16.1	Terms of Payment Ordinarily, payments for services rendered or supplies made shall be released only after the services have been rendered or supplies appropriate to the requirement made. However, in following cases advance payments may be made if specified in SCC:
	a	Advance payment demanded by firms holding maintenance contracts for servicing of Air-conditioners, computers, other costly equipment, etc.
	b	Advance payment demanded by firms against fabrication contracts, turnkey contracts etc.
	c	Such advance payment should not exceed the following limits: - Thirty percent of the contract value to private firms;
	d	Forty percent of the contract value to a State or central Government agency or a Public Sector Undertaking; or
	e	In case of maintenance contract, the amount should not exceed the amount payable for six months under the contract.
	16.2	The Contractor's request for payment shall be made to the Client in writing, accompanied by invoices describing, as appropriate, the Goods delivered and Related Services performed, and by the documents submitted pursuant to GCC Clause 13 and upon fulfilment of all other obligations stipulated in the Contract.
	16.3	Payments shall be made promptly by the Client, within ninety (90) days after submission of an invoice or request for payment by the Contractor, and after the Client has accepted it
	16.4	The currencies in which payment shall be made to the Contractor under this contract shall be Indian currency unless otherwise agreed.
17	17.1	Taxes and Duties For goods manufactured outside India, the Contractor shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside India.

	17.2	For goods Manufactured within India, the Contractor shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted Goods to the Client.
	17.3	If any tax exemptions, reductions, allowances or privileges may be available to the Contractor in India, the Client shall use its best efforts to enable the Contractor to benefit from any such tax savings to the maximum allowable extent or country or origin, the supplies shall provide benefit from any such tax sowing to the Client.
18	18.1	Performance Security: If required as specified in the SCC, the Contractor shall, within twenty-one (21) days of the notification of contract award, provide a performance security for the performance of the Contract in the amount specified in the SCC
	18.2	The proceeds of the Performance Security shall be payable to the Client as compensation for any loss resulting from the Contractor's failure to complete its obligations under the Contract.
	18.3	As specified in the SCC, the Performance Security, if required, shall be denominated in the currency(ies) of the Contract or in a freely convertible currency acceptable to the Client; and shall be in one of the format stipulated by the Client in the SCC, or in another format acceptable to the client.
	18.4	Performance security should remain valid for a period of sixty days beyond the date of completion of all contractual obligations of the Contractor including warranty obligation.
	18.5	Bid security shall be refunded to the successful bidder 6-8 weeks of receipt of performance security.
19		Copyright The copyright in all drawings, documents, and other materials containing data and information furnished to the Client by the Contractor herein shall remain vested in the Contractor, or, if they are furnished to the Client directly or through the Contractor by any third party, including Contractors of materials, the copyright in such materials shall remain vested in such third party.
20	20.1	Confidential Information The Client and the Contractor shall keep confidential and shall not, without the written consent of the other party hereto, divulge to any third party any documents, data, or other information furnished directly or indirectly by the other party hereto in connection with the Contract, whether such information has been furnished prior to, during or following completion or termination of the Contract. Notwithstanding the above, the Contractor may furnish to its Subcontractor such documents, data, and other information it receives from the Client to the extent required for the Subcontractor to perform its work under the Contract, in which event the Contractor shall obtain from such Subcontractor an undertaking of confidentiality similar to that imposed on the Contractor under GCC Clause 20.
	20.2	The Client shall not use such documents, data, and other information received from the Contractor for any purposes unrelated to the contract. Similarly, the Contractor shall not use such documents, data, and other information received from the Client for any purpose other than the performance of the Contract.
	20.3	The obligation of a party under GCC Sub-Clauses 20.1 and 20.2 above, however, shall not apply to information that:
	a	Now or hereafter enters the public domain through no fault of that party;
	b	can be proven to have been possessed by that party at the time of disclosure and which was not previously obtained, directly or indirectly, from the other party; or

		c	otherwise lawfully becomes available to that party from a third party that has no obligation of confidentiality.
	20.4		The above provisions of GCC Clause 20 shall not in any way modify any undertaking of confidentiality given by either of the parties hereto prior to the date of the Contract in respect of the Supply or any part thereof.
	20.5		The provisions of GCC Clause 20 shall survive completion or termination, for whatever reason, of the Contract.
21	21.1		Subcontracting The Contractor shall notify the Client in writing of all subcontracts awarded under the Contract if not already specified in the bid. Such notification, in the original bid or later on shall not relieve the Contractor from any of its obligations, duties, responsibilities, or liability under the Contract.
	21.2		Subcontracts shall comply with the provisions of GCC Clauses 3 and 7.
22	22.2		Specifications and Standards Technical Specifications and Drawings
		a	The Goods and Related Services supplied under this Contract shall conform to the technical specifications and standards mentioned in Section-VI, Schedule of Requirements and, when no applicable standard is mentioned, the standard shall be equivalent or superior to the official standards whose application is appropriate to the Goods' country of origin or India.
		b	Wherever references are made in the Contract to codes and standards in accordance with which it shall be executed, the edition or the revised version of such codes and standards shall be those specified in the Schedule of Requirements. During Contract execution, any changes in any such codes and standards shall be applied only after approval by the Client and shall be treated in accordance with GCC Clause 33.
23	23.1		Packaging and Documents The Contractor shall provide such packing of the Goods as is required to prevent their damage or deterioration during transit to their final destination, as indicated in the Contract. During transit, the packing shall be sufficient to withstand, without limitation, rough handling and exposure to extreme temperatures, salt and precipitation, and open storage. Packing case size and weights shall take into consideration, where appropriate, the remoteness of the goods' final destination and the absence of heavy handling facilities at all points in transit.
	23.2		The packing, marking, and documentation within and outside the packages shall comply strictly with such special requirements as shall be expressly provided for in the Contract, including additional requirements, if any, specified in the SCC, and in any other instructions ordered by the Client.
24			Insurance Unless otherwise specified in the SCC, the Goods supplied under the Contract shall be fully insured—in a freely convertible currency from an eligible country—against loss or damage incidental to manufacture or acquisition, transportation, storage, and delivery, in accordance with the applicable Incoterms or in the manner specified in the SCC.
25	25.1		Transportation and Incidental Services The Contractor is required under the Contract to transport the Goods to a specified place of final destination within India, defined as the Project Site, transport to such place of destination in India, including insurance and storage, as shall be specified in the Contract, shall be arranged by the Contractor, and related costs shall be

		included in the Contract Price”; or any other agreed upon trade terms (specify the respective responsibilities of the Client and the Contractor)
	25.2	The Contractor may be required to provide any or all of the following services, including additional services, if any, specified in SCC:
		a performance or supervision of on-site assembly and/or start up of the supplied Goods;
		b furnishing of tools required for assembly and/or maintenance of the supplied Goods;
		c furnishing of a detailed operations and maintenance manual for each appropriate unit of the supplied Goods;
		d performance or supervision or maintenance and/or repair of the supplied Goods, for a period of time agreed by the parties, provided that this service shall not relieve the Contractor of any warranty obligations under this Contract; and
		e training of the Client’s personnel, at the Contractor’s plant and/or on-site, in assembly, start-up, operation, maintenance, and/or repair of the supplied Goods.
	25.3	Prices charged by the Contractor for incidental services, if not included in the Contract Price for the Goods, shall be agreed upon in advance by the parties and shall not exceed the prevailing rates charged to other parties by the Contractor for similar services otherwise shall be at the cost of Contractors.
26	26.1	Inspections and Tests The Contractor shall at its own expense and at no cost to the Client carry out all such tests and/or inspections of the Goods and Related Services as are specified in the SCC.
	26.2	The inspections and tests may be conducted on the premises of the Contractor or its Subcontractor, at point of delivery, and/or at the Goods’ final destination, or in another place in India as specified in the SCC. Subject to GCC Sub-Clause 26.3, if conducted on the premises of the Contractor or its Subcontractor, all reasonable facilities and assistance, including access to drawings and production data, shall be furnished to the inspectors at no charge to the Client.
	26.3	The Client or its designated representative shall be entitled to attend the tests and/or inspections referred to in GCC Sub-Clause 26.2, provided that the Client bear all of its own costs and expenses incurred in connection with such attendance including, but not limited to, all traveling and board and lodging expenses.
	26.4	Whenever the Contractor is ready to carry out any such test and inspection, it shall give a reasonable advance notice, including the place and time, to the Client. The Contractor shall obtain from any relevant third party or manufacturer any necessary permission or consent to enable the Client or its designated representative to attend the test and/or inspection.
	26.5	The Client may require the Contractor to carry out any test and/or inspection not required by the Contract but deemed necessary to verify that the characteristics and performance of the Goods comply with the technical specifications codes and standards under the Contract, provided that the Contractor’s reasonable costs and expenses incurred in the carrying out of such test and/or inspection shall be added to the Contract Price. Further, if such test and/or inspection impedes the progress of manufacturing and/or the Contractor’s performance of its other obligations under the Contract, due allowance will be made in respect of the Delivery Dates and Completion Dates and the other obligations so affected.

	26.6	The Contractor shall provide the Client with a report of the results of any such test and/or inspection.
	26.7	The Client may reject any Goods or any part thereof that fail to pass any test and/or inspection or do not conform to the specifications. The Contractor, if permitted by the Client, shall either rectify or replace such rejected Goods or parts thereof or make alterations necessary to meet the specifications at no cost to the Client, and shall repeat the test and/or inspection, at no cost to the Client, upon giving a notice pursuant to GCC Sub-Clause 26.4.
27		<p>Liquidated Damages</p> <p>Except as provided under GCC Clause 32, if the Contractor fails to deliver any or all of the Goods by the Date(s) of delivery or perform the Related Services within the period specified in the Contract, the Client may without prejudice to all its other remedies under the Contract, deduct from the Contract Price, as liquidated damages, a sum equivalent to the percentage specified in the SCC of the delivered price of the delayed Goods or unperformed Services for each week or part thereof of delay until actual delivery or performance, up to a maximum deduction of the percentage specified in those SCC. Once the maximum is reached, the Client may terminate the Contract pursuant to GCC Clause 33.</p>
28	28.1	<p>Warranty</p> <p>The Contractor warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.</p>
	28.2	Subject to Sub-Clause 22.1(b) of GCC, the Contractor further warrants that the Goods shall be free from defects arising from any act or omission of the Contractor or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.
	28.3	Unless otherwise specified in the SCC, the warranty shall remain valid for «Warr» months after the Goods, or any portion thereof as the case may be, have been delivered to and accepted at the final destination indicated in the SCC, or warranty period mentioned by Contractor whichever period concludes later unless mutually agreed.
	28.4	The Client shall give notice to the Contractor stating the nature of any such defects together with all available evidence thereof, promptly following the discovery thereof. The Client shall afford all reasonable opportunity for the Contractor to inspect such defects.
	28.5	Upon receipt of such notice, the Contractor shall, within the period specified in the SCC, expeditiously repair or replace the defective Goods or parts thereof, at no cost to the Client.
	28.6	If having been notified, the Contractor fails to remedy the defect within the period specified in the SCC; the Client may proceed to take within a reasonable period such remedial action as may be necessary, at the Contractor's risk and expense and without prejudice to any other rights which the Client may have against the Contractor under the Contract.
29	29.1	<p>Patent Indemnity</p> <p>The Contractor shall, subject to the Client's compliance with GCC Sub-Clause 29.2, indemnify and hold harmless the Client and its employees and officers from and against any and all suits, actions or administrative proceedings, claims, demands, losses, damages, costs, and expenses of any nature, including attorney's fees and expenses, which the Client may suffer as a result of any infringement or alleged</p>

		infringement of any patent, utility model, registered design, trademark, copyright, or other intellectual property right registered.
	29.2	If any proceedings are brought or any claim is made against the Client arising out of the matters referred to in GCC Sub-Clause 29.1, the Client shall promptly give the Contractor a notice thereof, and the Contractor may at its own expense and in the Client's name conduct such proceedings or claim and any negotiations for the settlement of any such proceedings or claim.
	29.3	The Client shall, at the Contractor's request, afford all available assistance to the Contractor in conducting such proceedings or claim, and shall be reimbursed by the Contractor for all reasonable expenses incurred in so doing.
30	30.1	Force Majeure For purposes of this Clause, "Force Majeure" means an event or situation beyond the control of the Contractor that is not foreseeable, is unavoidable, and its origin is not due to negligence or lack of care on the part of the Contractor. Such events may include, but not be limited to, wars or revolutions, fires, floods, epidemics, quarantine restrictions, and freight embargoes.
	30.2	If a Force Majeure situation arises, the Contractor shall promptly notify the Client in writing of such condition and the cause thereof. Unless otherwise directed by the Client in writing, the Contractor shall continue to perform its obligations under the Contract as far as is reasonably possible, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
	30.3	The Contractor shall not be liable for forfeiture of its Performance Security, liquidated damages, or termination for default if and to the extent that its delay in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.
31	31.1	Change Orders and Contract Amendments The Client may at any time order the Contractor through notice in accordance GCC Clause 8, to make changes within the general scope of the Contract in any one or more of the following:
	a	drawings, designs, or specifications, where Goods to be furnished under the Contract are to be specifically manufactured for the Client;
	b	the method of shipment or packing;
	c	the place of delivery; and
	d	the Related Services to be provided by the Contractor.
32	32.1	Extensions of Time If at any time during performance of the Contract, the Contractor or its subcontractors should encounter conditions impeding timely delivery of the Goods or completion of Related Services pursuant to GCC Clause 13, the Contractor shall promptly notify the Client in writing of the delay, its likely duration, and its cause. As soon as practicable after receipt of the Contractor's notice, the Client shall evaluate the situation and may at its discretion extend the Contractor's time for performance, in which case the extension shall be ratified by the parties by amendment of the Contract.
	32.2	Except in case of Force Majeure, as provided under GCC Clause 32, a delay by the Contractor in the performance of its Delivery and Completion obligations shall render the Contractor liable to the imposition of liquidated damages pursuant to GCC Clause 26, unless an extension of time is agreed upon, pursuant to GCC Sub-Clause 34.1.

33	33.1	<p>Termination for Default</p> <p>The Client, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Contractor, may terminate the Contract in whole or in part:</p>
	a	if the Contractor fails to deliver any or all of the Goods within the period specified in the Contract, or within any extension thereof granted by the Client pursuant to GCC Clause 32;
	b	if the Contractor fails to perform any other obligation under the Contract; or
	c	if the Contractor, in the judgment of the Client has engaged in fraud and corruption, as defined in GCC Clause 3, in competing for or in executing the Contract
		In the event the Client terminates the Contract in whole or in part, pursuant to GCC Clause 33.1(a), the Client may procure, upon such terms and in such manner as it deems appropriate, Goods or Related Services similar to those undelivered or not performed, and the Contractor shall be liable to the Client for any additional costs for such similar Goods or Related Services. However, the Contractor shall continue performance of the Contract to the extent not terminated.
	33.2	<p>Termination for Insolvency</p> <p>The Client may at any time terminate the Contract by giving notice to the Contractor if the Contractor becomes bankrupt or otherwise insolvent. In such event, termination will be without compensation to the Contractor, provided that such termination will not prejudice or affect any right of action or remedy that has accrued or will accrue thereafter to the Client.</p>
	33.3	<p>Termination for Convenience</p>
	a	The Client, by notice sent to the Contractor, may terminate the Contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is for the Client's convenience, the extent to which performance of the Contractor under the Contract is terminated, and the date upon which such termination becomes effective.
	b	<p>The Goods that are complete and ready for shipment within twenty-eight (28) days after the Contractor's receipt of notice of termination shall be accepted by the Client at the Contract terms and prices. For the remaining Goods, the Client may elect :</p> <p>(i) to have any portion completed and delivered at the Contract terms and prices ; and/or</p> <p>(ii) to cancel the remainder and pay to the Contractor an agreed amount for partially completed Goods and Related Services and for materials and parts previously procured by the Contractor.</p>
34		<p>Assignment</p> <p>Neither the Client nor the Contractor shall assign, in whole or in part, their obligations under this Contract, except with prior written consent of the other party.</p>
35		If there is a discrepancy between unit price, the unit price will be considered. If there is any mismatch between figure and word, the amount in word shall prevail.
36		If any arithmetic mistake in total/GST calculation is observed, the same shall be corrected by the Client with an intimation to bidder.
37		Bids submitted without EMD (Unless exempted) will be treated as disqualified.

38		The successful bidder should submit Security Deposit/PBG within 15 days from the date of placement of order. The EMD shall be returned only after receipt of SD. If the bidder fails to deliver the material, then the EMD/SD shall be forfeited.
39		Make in India clause, applicable as per Govt. of India norms.
40		Bids without quoting GST(unless exempted) will be considered as disqualified, unless specified in the tender document to quote only the basic price.

Option 2: Performance Bond

By this Bond [*insert name of Principal*] as Principal (hereinafter called “the Contractor”) and [*insert name of Surety*] as Surety (hereinafter called “the Surety”), are held and firmly bound unto [*insert name of Client*] as Oblige (hereinafter called “the Contractor”) in the amount of [*insert amount in words and figures*], for the payment of which sum well and truly to be made in the types and proportions of currencies in which the Contract Price is payable, the Contractor and the Surety bind themselves, their heirs, executors, administrators, successors and assigns, jointly and severally, firmly by the seprents.

WHEREAS the Contractor has entered into a written Agreement with the Client dated the _____ Day of _____, 20____, for [*name of contract and brief description of Work and related Services*] in accordance with the documents, plans, specifications, and amendments thereto, which to the extent herein provided for, are by reference made part hereof and are hereinafter referred to as the Contract.

NOW, THEREFORE, the Condition of this Obligation is such that, if the Contractor shall promptly and faithfully perform the said Contract (including any amendments thereto), then this obligation shall be null and void; otherwise, it shall remain in full force and effect. Whenever the Contractor shall be, and declared by the Client to be, in default under the Contract, the Client having performed the Client’s obligations there under, the Surety may promptly remedy the default, or shall promptly :

- (1) complete the Contract in accordance with its terms and conditions; or
- (2) obtain a Bid or bids from qualified Bidders for submission to the Client for completing the Contract in accordance with its terms and conditions, and upon determination by the Client and the Surety of the lowest responsive Bidder, arrange for a Contract between such Bidder and Client and make available as work progresses (even though there should be a default or a succession of defaults under the Contract or Contracts of completion arranged under this paragraph) sufficient funds to pay the cost of completion less the Balance of the Contract Price; but not exceeding, including other costs and damages for which the Surety may be liable hereunder, the amount set forth in the first paragraph hereof. The term “Balance of the Contract Price,” as used in this paragraph, shall mean the total amount payable by Client to Contractor under the Contract, less the amount properly paid by Client to Contractor; or
- (3) pay the Client the amount required by Client to complete the Contract in accordance with its terms and conditions up to a total not exceeding the amount of this Bond.

The Surety shall not be liable for a greater sum than the specified penalty of this Bond.

Any suit under this Bond must be instituted before the expiration of one year from the date of the issuing of the Taking-Over Certificate.

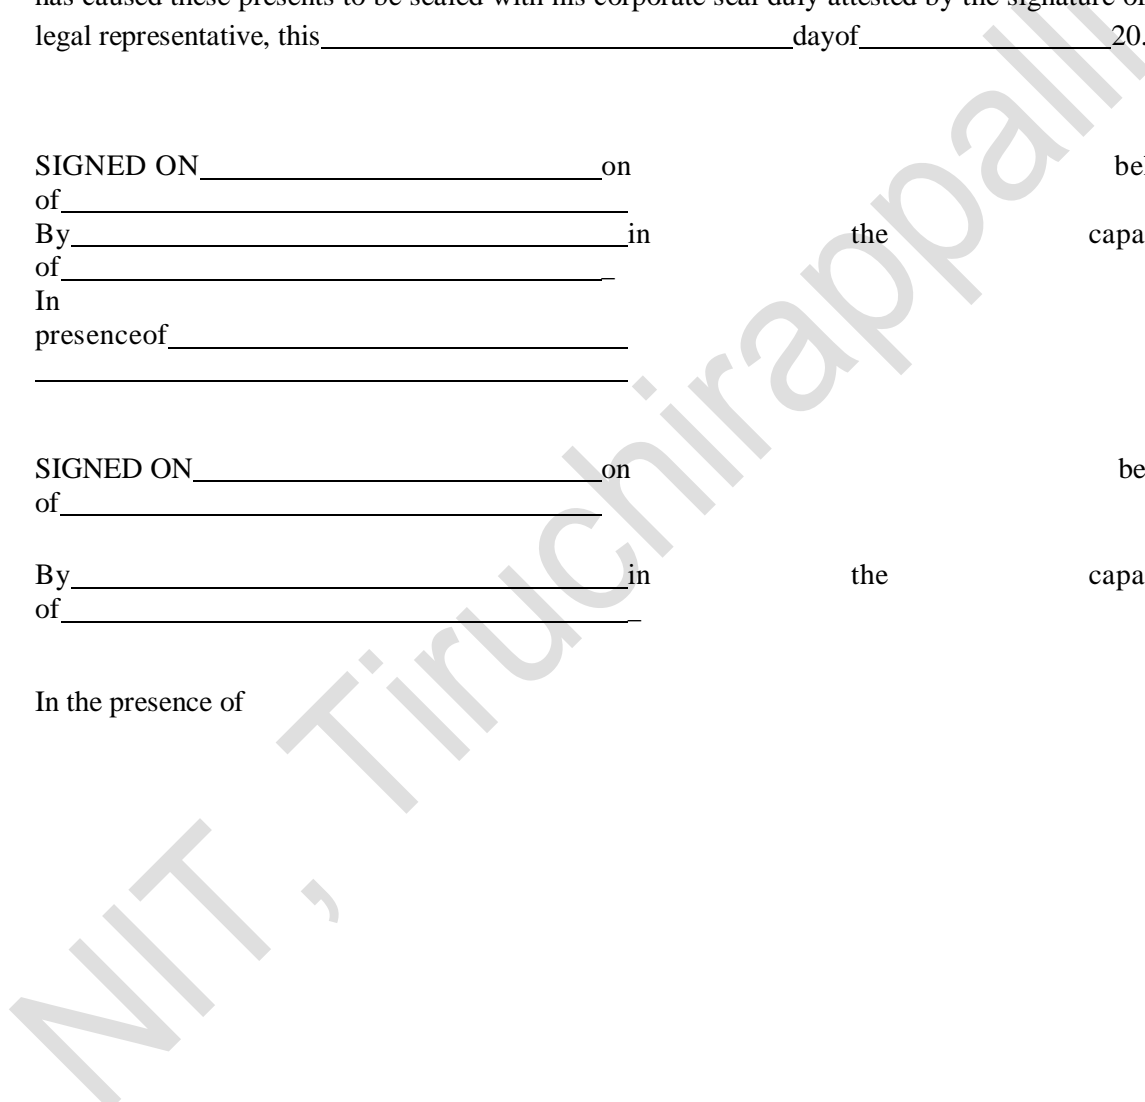

No right of action shall accrue on this Bond to or for the use of any person or corporation other than the Client named herein or the heirs, executors, administrators, successors, and assigns of the Client.

In testimony whereof, the Contractor has here unto set his hand and affixed his seal, and the Surety has caused these presents to be sealed with his corporate seal duly attested by the signature of his legal representative, this _____ day of _____ 20.
