28. **Liquidated damages:** If the bidder/supplier, after accepting the Purchase Order, fails to deliver any or all of the Goods within the period specified in the Order, NIT-T shall, without prejudice to its other remedies under the Rules of Purchase, proceed to cancel the order or agree to accept a delayed delivery on the condition of payment of liquidated damages by the bidder / supplier a sum equivalent to 0.50% of the total cost as indicated in the Purchase Order (which will be deemed as agreed price) for each week or part thereof of delay until actual delivery or performance is completed and such penal charges shall be limited to a maximum of 5% of the total cost. Once the maximum is reached NIT-T may proceed on its own to consider the termination / cancellation of the order.
29. **Five Years Comprehensive On-Site Warranty Support for Active Components:** One on-site service engineer should be available during the 5 (five) years Comprehensive & Warranty period. The on-site service engineer should report on all working days including Saturday from 9.00 a.m. to 5.30 p.m. Preventive Maintenance should be performed twice every year during the first week of January and July during the 5 year on-site comprehensive warranty period. There should be minimum 5% local stocking of all the Active Components at NITT. The downtime should be less than 24 hours. If the downtime exceeds 48 hours at a stretch then the duration of such downtime will be added to the warranty period and the warranty extended accordingly. The warranty start and end date will be counted from the date of installation and not from the date of shipment / billing. "Comprehensive on-site warranty with on-site support and service for both Parts and Labour" means that your engineer should visit the site / location where the problem is reported, then troubleshoot & identify the problem and replace the faulty part. NITT will not provide or do any troubleshooting at our end.
30. The vendors are informed that they (bidder, OEM & NITT) should sign a stamp paper agreement with us, for Warranty, AMC, etc. before placing the final purchase order as per our terms & conditions and 10% of purchase order value in the form of bank guarantee towards performance security. The bank guarantee will be returned to the supplier after the successful completion of supply, installation, and the warranty period.
31. Failure to comply with all the terms and conditions mentioned herein would result in the tender being summarily rejected.
32. Vendors are informed that once the companies are shortlisted based on the technical specification, only then the price bids of the firms that meet NIT-T's Technical specification / requirements would be compared.

33. The order will be based on the actual requirement at the time of ordering, optional items may also be ordered based on the actual requirements at the time of ordering. Not quoting for this may result in disqualification.
34. NIT-T reserves the right to modify or alter the specifications after short listing of tenders.
35. NIT-T reserves the right to change the order quantity or split the orders among multiple vendors without assigning any reason(s) whatsoever.
36. NIT-T reserves the right to reject any or all the tenders without assigning any reasons whatsoever.
37. NIT-T reserves the right to increase / decrease the number of quantities of the items to be purchased
