

National Institute of Technology, Tiruchirappalli
Tiruchirappalli 620015
Sophisticated Instrumentation Facility (SIF)

ICP-MS - Testing Charges

| Category | Internal (Rs.) | External (Academic) (Rs.) | National and R&D labs (Rs.) | Industry (Rs.) |
|---|-----------------------|--------------------------------------|--|---------------------------|
| Sample Analysis Charge (per sample, for first 3 elements) | 450 | 675 | 900 | 1350 |
| For Each additional element analysis | 80 | 120 | 160 | 240 |
| Acid digestion charges (per sample) | 100 | 150 | 200 | 300 |
| Microwave Digestion Charges (per sample) | 200 | 300 | 400 | 600 |

Important Notes:

1. Samples with identical elements to be analysed will be treated as a single set.
2. Users are encouraged to submit more than 5 samples per set to optimize operational costs.
3. SIF maintains standards for a limited range of elements. For other elements, users must provide the appropriate standards along with their samples.
4. Please contact the SIF team prior to making any payment. Do not initiate payment without receiving formal confirmation from the facility.
