A nine-day skill development programme on solar entrepreneurship was launched by National Institute of Technology - Tiruchi (NIT-T), in collaboration with the National Institute for Entrepreneurship and Small Business Development (NIESBUD), on Monday.

According to an NIT-T press release, the programme, sponsored by the Central Ministry of New and Renewable Energy, offers hands-on training in areas such as solar system design, installation, entrepreneurship management, marketing, and after-sales service to participants.

In her inaugural address, NIT-T director G. Aghila highlighted the importance of renewable energy in the nation's growth.

She also said that the response to the programme was overwhelming, with over 350 applications received from across Tamil Nadu. From these, 100 participants — including electricians, technicians, small business owners, aspiring entrepreneurs, and progressive farmers — were selected to take part in the first batch of the training. A second batch is being planned in view of the strong interest.

The initiative is part of a broader national mission to empower small entrepreneurs and promote sustainable livelihoods through renewable energy. It is scheduled to end on November 19.

NIT-Trichy, NIESBUD launch skill development programme

UPDATED : 11. 11. 2025 | ADDED : 11. 11. 2025

Tiruchirappalli: The national institute of technology, Tiruchirappalli (NIT-T), in collaboration with the national institute for entrepreneurship and small business development (NIESBUD), launched a nine-day entrepreneurship skill development programme (ESDP) on solar entrepreneurship. The programme, sponsored by the ministry of new and renewable energy (MNRE) aims to promote entrepreneurship and skill-building in the renewable energy sector. Inaugurating the programme, NIT-T director Dr.G.Aghila highlighted the role of solar energy in India's transition towards a sustainable future and its potential to drive innovation, employment, and inclusive growth. she said the overwhelming response, with over 350 applications received from across Tamil Nadu, reflects growing interest in solar entrepreneurship. The training, scheduled from November 10 to 19, offers 100% hands-on learning in solar system design, installation, marketing, and after-sales service. participants will also undertake field visits to solar installations at nit-t and Bharat Heavy Electricals Limited (BHEL). the initiative supports the national missions of skill India, start-up India, and Viksit Bharat 2047 by empowering small entrepreneurs and promoting green livelihoods.

The Rashtriya Karmayogi Large Scale Jan Seva Program

The Rashtriya Karmayogi Large Scale Jan Seva Program was successfully conducted at the Institute for all permanent Central Government employees. The programme commenced with an inaugural session on 28 November 2025, which was graciously inaugurated by Respected Director Dr. G. Aghila, in the esteemed presence of Dr. R. Jeyapaul, Dean (Faculty Welfare) and Dr. S. A. Senthil Kumar, Registrar, NIT Tiruchirappalli.

The training programme was conducted from 28 November 2025 to 10 December 2025, with multiple batches organised each day to ensure effective participation. In total, 533 employees of the Institute successfully underwent training under this large-scale capacity-building initiative.

The training sessions were conducted by the following Master Trainers, who contributed significantly to the successful implementation of the programme:

Dr. Thavasi Raja, Associate Professor, Dept. of ECE, NITT

Dr. D. Kannamma, Assistant Professor, Dept. of Architecture, NITT

Dr. Nivethitha S, Assistant Professor, Dept. of Management Studies, NITT

Dr. Sreejith Mohan, Assistant Professor, Dept. of Mechanical Engg., NITT

Dr. Laiju A. R., Assistant Professor, Dept. of Civil Engg., NITT

Shri R. Karthikeyan, Deputy Registrar (Establishment), NITT

Shri S. Saravanan, Deputy Registrar (Finance & Accounts), NITT

The programme aimed at strengthening capacity building, fostering professional competencies, and reinforcing the spirit of public service among Central Government employees, in line with the objectives of the Rashtriya Karmayogi Mission.

Empowering Women in India

We begin the series by highlighting the key laws that protect women and children in India — including the Domestic Violence Act (2005), POSH Act (2013), Child Protection laws, and the latest safeguards under the Bharatiya Nyaya Sanhita and Bharatiya Nagarik Suraksha Sanhita (2023). Understanding our rights strengthens our ability to create safer, more inclusive spaces for all. Your Rights.

Your Safety. Your Voice.
