CENTRAL LIBRARY

Diamond Jubilee Celebration

CURRENT AWARENESS SERVICE (CAS)

New Arrival of Books

Volume No.3: Issue No. 1; October 2024

The Central Library at NITT celebrated its Diamond Jubilee Year with great enthusiasm and grandeur. As a part of these jubilant festivities, a Book Exhibition was organized from the 17th to the 19th of August 2023, right within the heart of the Central Library. The event was graced with the presence of esteemed dignitaries, including Dr. (Prof.) G. Aghila, Director, Dr. S. Kumaran, (LAC) Chairman, and Dr. S. Siva Chidambaram, the Librarian.

The exhibition was a magnificent display of literary treasures from all corners of India, with 13 empanelled vendors participating. These vendors presented extensive books covering diverse fields such as engineering and technology, humanities, and general competitive exam materials. It was a true bibliophile's paradise. One of the highlights of this event was the active involvement of faculty members and Heads of Departments (HODs) from various academic departments. They not only graced the exhibition with their presence but also actively recommended books that would significantly contribute to the academic and research needs of their respective departments. The faculty members are recommended around 3000 titles with a special discount rate.

In total, 502 members, including faculty, students, and scholars, visited the Book Exhibition, making it a resounding success. After a rigorous selection process, the books were ordered to the respective vendors. Further, it has been technically processed through catalogue, classification and RFID tagging of all the books. Now, it is displayed on the shelf for the reference of faculty members, research scholars and students
